# Bubble of Love

NAME - this is who the poem is to

Dear .....(NAME).....

If our love was shaped like a bubble  
(And one that couldn't pop)  
I'd fill it with all the things you love

FAVOURITE THING - list 3 things that they love

And never, ever stop

Like ...(FAVOURITE THING)..., and ...(FAVOURITE THING)...  
...(FAVOURITE THING)... I wouldn't forget

And most of all I'd add ...(PLACE OF FIRST MEETING)...  
The place where we first met

PLACE OF FIRST MEETING - where you met each other

For without you my bubble is empty  
with rather miserable weather  
But the sun is always shining bright

When we are in ...(CURRENT RESIDENCE)... together

CURRENT RESIDENCE - where you currently live

So ...(NAME)... thanks for sparkling  
For helping me Soar So high  
For our bubble is ever expanding  
And our love will never die.

With all my love from

(YOUR NAME)
